A BOY'S STRUGGLE FOR LIFE TWICE DELIVERED FROM DEATH

Mr. S. J. New of 154 Baldwin St., Toronto, says: "I can trace my son Harold's rouble to when he had the measles five years at from which he never really recovered. Some of the best physicians attended hin, but with months of suffering he in turn contracted whooping cough, bronchids, and then pneumonia." "MY POOR BOY WAS REDUCED TO A SHADOW." "Month

"My POOR BOY WAS REDUCED TO A SHADOW." "Month after month went by that we shall not soon forget; months of sleepless nights, fearful coughs, weakening night sweats, left my boy a mere shadow. He had no appetite, and my heart ached to see how he was wasting away. He spent one whole summer at the Lakeside Hone for site children, and came home greatly improved, but the cold winds of October took lim off his teagin. The doctor advised me to send him to Muskoka, but heavy doctor's bills had depleted my fammed friends advised the use of SYKCHINF, but I was itselfined to place PSYCHINF on a par with many advertised remedies and cheap nostrums. However, my friends proved such strong advocates of it that I at last consented to try Ii."

"HIMAN LIPS CANNOT DESCRIBE THE CHANGE." "We

"HUMAN LIPS CANNOT DESCRIBE THE CHANGE." "We tried PSYCHINE and human lips cannot describe the change that rook place. No words, can express the thankfulness of his mother and myself when we saw the crisis was over and realized that our boy was fighting his way back to life and health. PSYCHINE had mastered that which all the dectors' prescriptions had failed to check. Day by day Hirofd gree stronger and all through the winter of 1006 athough continually our of doors he failed to take cold, and he put on flesh very quickly. By the spring may son was completely cured, and developed into a strong, sturdy lad."

HAROLD AGAIN FALLS A VICTIM TO DISEASE. "About last Christmas he was again attacked, this time with diphtheria; and had this dread disease very badly. After spending some time in the Isolation Hospital the returned home cured of his liliness, but oh! in such a pitable state of emeciation. The lacts struggle with the grim monster death had reduced him to a skeleton aimost, and the boy could scarcely stand, he was so weak."

aimors, and the boy could scarcely stand, he was on weak.

PSYCHINE AGAIN GIVES GOOD SERVICE. "Again we began to give him PSYCHINE and before one bottle had been used he showed a marked improvement. We continued the treatment, and in a very short time Harold was as strong is ever affect. We continued the treatment, and in a very short time Harold was as toxog is ever affect. Hin St. It is certainly a wonderful remedy. Can you wonder that I am never tired of proclaiming its merits? "Though not in such a marked degree, I may say that my other children have been greatly benefited by this medicine. It saved my boy Harold's life without doubt, and no sufferers should despair until they have given PSYCHINE a trial."

PSYGNINE is the previous extragilly restorer and system bulder known to medical science, the property of the p
